

Beta Sigma Boulé, Alpha Psi Boulé, Springfield College and the Naismith Memorial Basketball Hall of Fame host students during Enshrinement Weekend.

Beta Sigma Boulé of Springfield, Massachusetts partnered with the Naismith Memorial Basketball Hall of Fame, Springfield College and Alpha Psi Boulé of Hartford, Connecticut to host 110 Springfield, Massachusetts area students at the Hall of Fame Sunday, September 12, 2021.

The students had the opportunity to tour the Hall of Fame facilities and then they attended a round table discussion focused on the value of getting an education, developing leadership skills and the importance of role models. The discussion was moderated by Julio Manteigna, Head of Content and Communications for the National Basketball Retired Players Association. Members of the panel were Yolanda Griffith (Hall of Fame Class of 2021), Dikembe Mutombo (Class of 2015) and Spencer Haywood (Class of 2015). Following the round table, the students had questions for the panel members.

All students were excited to have this “once in a lifetime” chance to interact with true legends of basketball. The excitement continued during the outdoor luncheon with the students.
